

## General Admission Guidelines and School Tuition and Fee Information

Our Lady of the Holy Souls Catholic School admits students of both sexes, of any race, color, nationality or ethnic origin. The school's admission policy specifies that first priority is given to in-parish Catholics in relation to length of time in the parish; contribution of time, talent, and treasure; sibling's already in attendance; and participation in PRE. Registration for families currently enrolled will occur first and then letters of acceptance will be sent at a later date to any new students.
